Our Story

Driven by the vision to excel, the AK Group has scaled great heights in the field of entrepreneurship. Committed to advancement and innovation, the AK Group constantly looks for means to reinvent ourselves and set fresh standards of quality. Our focus on connecting aspirations and our tech-enabled products keeps us at the forefront of the market

Having been established four decades ago, we have grown to become one of the largest and also we are well-positioned as one of India's long term manufacturers of allied wood products, currently offering the widest range of products. AK groups aspiration is an exemplar in sustainability practices.

The company's ability to innovate and modernise continuously has helped it to be one of our country's leading manufacturers. In our journey, through the years we've acquired many laurels and been awarded numerous hallmarks of quality. We have built a reputation for being able to deliver consistent quality concerning every aspect; including an uninterrupted supply now and forever.

Because of our integrity and unyielding commitment to quality, we've been lauded by the industry and conferred with many laurels. Our products have been included in the GRIHA products catalogue – thus making it applicable in all GRIHA and SVAGRIHA projects. Even more of honour was being certified as one among POWER BRANDS RISING STARS – a symbol of brand excellence – at the Power Brands Global London International Forum for Equality.

This steadfast excellence that we've maintained has also earned us many clients from across a spectrum of industries with whom we share a close bond.
